effective immediately | Working Student | Student | Remote | Germany

Apply now!

STRONG NETWORK. STRONG TEAM.

Become part of one of Europe's leading networks for checkout and digital marketing services. More than 3,000 European partner shops trust our high-quality e-commerce solutions to enhance their business. How? By innovatively integrating artificial intelligence into online marketing. Now it's your turn: Enrich our teams with your ideas, energy, and personality.

YOUR RESPONSIBILITIES

- You regularly carry out manual tests to ensure the functionality of our integrations.
- You review the quality of our partner shop integrations and ensure that all requirements are met.

YOUR PROFILE

- You have programming skills in at least one language – ideally TypeScript and React.
- You are highly motivated to learn and have an interest in complex tasks such as QA, debugging, and plugin development.
- You are characterized by an analytical and structured working

- You optimize testing processes and support the implementation of projects.
- You analyze and resolve issues in our Sovendus plugins as well as in custom shop integrations.
- In close collaboration with the international Account Management team and our shop partners, you develop sustainable solutions for identified bugs.
- You maintain and further develop plugins for various platforms and continuously improve our plugin portfolio.
- You document test results and propose solutions to continuously enhance quality.

style and enjoy methodical and precise work.

- Experience with JavaScript and APIs would be a strong advantage.
- You are engaged, communicative, and enjoy working as part of a team.
- Very good German and English skills complete your profile.

**30 days of
vacation**

WHO WE ARE

1 Team. 18 Nationalities. 50% Women & 50% Men. Hundreds of Opportunities!

Our story began in 2008 in Germany: Oliver Stoll founded the company "Gutschein-Connection". This marked the start of successful growth that has made us the leading network for vouchers and special offers. In 2011, the company was renamed Sovendus, and today, Sovendus has 145 employees who have made this tremendous growth possible. This is also due to our great diversity: our teams consist of roughly equal numbers of women and men, with a total of 18 nationalities and an average age of 35. This includes not only permanent employees but also working students and interns.

IT'S A MATCH?

Do you think you're a great fit for us and we're a great fit for you? Then we're looking forward to receiving your application (in English).
